

Kimberley Fountain

Comic artist and Illustration Graduate

About me

Since earning my illustration degree I've been writing and drawing the webcomic The Legend of Val with another illustrator. I sell my work at several comic conventions around the UK and have even led some workshops about making comics.

I am passionate about tv and film, especially animation, and would love to work as part of a production team!

Skills

Adobe CC - full suite
ToonBoom Storyboard Pro
Microsoft Office
Video Editing
Publishing/Printing - layout etc

Education

BA Hons Illustration (2015)
